The Office of Secretary of Defense (OSD) Offices

SOURCES SOUGHT NOTICE

This is NOT a solicitation for proposals, proposal abstracts, or quotations. This Sources Sought Notice (SSN) is being issued for market research purposes ONLY and shall not be construed as a Request for Proposal (RFP)/Request for Quote (RFQ) or as an obligation on the part of the requestor to acquire any products or services.

If an RFP/RFQ is issued, it will be issued by the appropriate Government Contracting office and posted to the appropriate Government Point of Entry (GPE). The requestor does not intend to pay for the Information requested herein. All information provided is for Government planning use only. If proprietary Information is provided, please mark as Proprietary for Government Use Only.

I. INTRODUCTION

This SSN is being released by the Department of Defense (DoD), Washington Headquarters Services Acquisition Directorate (WHS/AD) on behalf of the Office of Secretary of Defense (OSD) Offices. WHS/AD is issuing this SSN to obtain information, and assist in determining the appropriate acquisition method for FMTS Sustainment support. This acquisition is a follow-on effort to Task Order that Defense Human Resources Activity Awarded to Unissant, Inc. The Task Order Number is no GS06F0971Z, H9821019F0004. The estimated period of performance for this requirement is for a 12-month base period with four 12-month option periods. Please reference the Draft Performance Work Statement (PWS) for specific details as it pertains to the requirements of this request.

II. INSTRUCTIONS

A. Security Requirements: All submissions must include verifiable information about its firm's ability to comply with the security requirements for this effort. Firms must have an active Secret Facility Clearance at the time of proposal submission. Potential proposed personnel shall have a Secret Facility Clearance to perform the tasks. Please refer to the draft PWS for further information on the security requirements.

B. Submission Requirements: Interested firms should submit responses to include a capabilities statement covering experience, staffing and technical capabilities. Businesses having the capabilities necessary to perform the stated requirements may submit capability statements via email to the following email address below:

whs.ncr.ad.mbx.eosd-tab-branch@mail.mil

Responses must be submitted no later than **August 17, 2023, 11:00AM** Eastern Standard Time (EST). Capability statements will not be returned. No phone calls related to this SSN will be accepted. All correspondence shall be via email.

C. Capability Statement Requirements:

Please answer the following question in your capability statement:

1. A brief three to-five-page synopsis of similar work performed and addressing the ability to provide qualified staff capable of fulfill the areas.
2. CAGE Code Number and Unique Entity Identifier (UEI).
3. Company name and address.
4. Company Point of Contact, phone number and email.
5. NAICS codes associated with the company.
6. Company must identify if they are a small business under the NAICS code identified in this notice, and small business concerns must identify their small business category (Example: 8(a) Service-Disabled Veteran-Owned, HUB-zone, Small Disadvantaged, Veteran-Owned, or Women-Owned.
7. Identify contracts your company has been awarded under **NAICS – 541513 Computer Facilities Management Services**. Additional information on NAICS codes can be found at **www.sba.gov**.
8. Specific examples of prior efforts same/and or similar to FMTS Sustainment Support, as outlined in the attached draft PWS.
9. Recommended/suggested NAICS codes for this effort.
10. Recommended/suggested contract type (i.e. FFP, Cost, T&M, LOE, etc.), based on the draft PWS.
11. Please state whether these services are commercially available, yes or no, and state why.
12. Number of contracts currently held with the Government to include any Federal Supply Schedules listed under GSA Advantage that are similar in scope for the required services.
13. Are all of the items needed to fulfill this requirement available on GSA contract? If they are available, please identify your GSA contract number.
14. Identify/Recommend Government Wide Acquisition Contract (GWACS) that these services can be obtained and fulfill based on the draft PWS. Also, identify the GWACs contract number for the Government for review.
15. Please provide feedback or questions regarding the requirements of the draft PWS.
16. Please provide the details (including approximate total contract value) of at least two (2) contracts where your company has been the prime contractor (as the sole prime contractor or as part of a joint venture) within the past three years for requirements same or similar to the FMTS Sustainment support requirements and tasks. See the attached draft PWS for details.
17. Identify the areas in the draft PWS that you will perform as a prime contractor and collaborate with a subcontractor (i.e. small business) (if applicable), and explain the reason for performing those areas identified in the draft PWS as a prime and collaborating with a subcontractor, i.e. teaming arrangements and or joint ventures.

18. For the PWS areas identify above (#17) that will be subcontracted to a small business, identify the percentages that would be allocated to small business to perform those PWS task areas.
19. Respondents are limited to ten (10) pages. A minimum font size 12, left justified and one-inch margins all around.
20. Point of Contact, phone number, and emails of individuals who can verify the demonstrated capabilities identified in the responses.
21. Respondents must submit documents in Word or PDF format. Neither zipped files will be accepted nor telephone requests be honored.
