# FORECAST OF CONTRACTING OPPORTUNITIES PRODUCTS AND SERVICES

## March 7, 2022

## Version 4

THE OFFICE OF SMALL AND DISADVANTAGED BUSINESS UTILIZATION (OSDBU)
http://www.hud.gov/smallbusiness

**Disclaimer**: Title V of Public Law 100-656 requires that Federal agencies make available its Procurement Forecast to the Small Business Administration (SBA) and to interested business owners. All projected procurements in the Forecast are subject to total or partial revision and/or cancellation. Final decisions on the extent of competition (if any), type of small business participation (if any), estimated value, or any aspect of the procurement action will not be made until each procurement action is initiated and a final determination is made by the assigned contracting officer. The Forecast, and any data contained therein, is for planning purposes, does not represent a pre-solicitation synopsis, does not constitute an invitation for bid or request for proposal, and is not a commitment by the Government to purchase the desired products and/or services. Actual solicitation notices, if required, will be posted on www.sam.gov as prescribed by the Federal Acquisition Regulation (FAR).

Public Law 100-656 requires The United States Department of Housing and Urban Development ("the Department") to publish an annual Forecast of Contracting Opportunities ("Procurement Forecast" or "Forecast"). The Law emphasizes advance acquisition planning, which provides all our customers with a better understanding of our requirements.

It is Departmental policy that all legally qualified small businesses receive a just, fair, equitable and impartial share of the contracts awarded by the Department. The Forecast is one of several tools that will help the small business community effectively market their goods and services to the cognizant components within the Department. In so doing, it will help realize this goal of our procurement policy.

The Forecast includes projections of all anticipated contract actions above the simplified acquisition threshold. It is important to emphasize that the Department is not bound by any statements made in the Forecast. The Forecast is for informational and marketing purposes only. It does not constitute a specific offer of commitment by the Department to fund, in whole or in part, the opportunities referenced therein. Any listing in the Forecast is not all-inclusive and as additional information is obtained, it will be posted, if required. Please see the Disclaimer below for further information on the nature of the Forecast, including its limitations. Generally, for more information on HUD open market procurement opportunities above $25,000 check www.sam.gov.

**Disclaimer**: Title V of Public Law 100-656 requires that Federal agencies make available its Procurement Forecast to the Small Business Administration (SBA) and to interested business owners. All projected procurements in the Forecast are subject to total or partial revision and/or cancellation. # SECTION I: INTRODUCTION, MESSAGE TO SMALL BUSINESSES & MISSION STATEMENT

## INTRODUCTION

HUD is the principal federal agency responsible for the improvement and development of America's housing and communities. HUD's programs include mortgage insurance to help individuals and families become homeowners; rental subsidies to enable low-income families to find affordable housing; development, rehabilitation, and modernization of the nation's Public and Indian Housing stock; development of HUD-insured multifamily housing; enforcement of Federal Fair Housing laws; and the development, improvement and revitalization of American's urban centers and neighborhoods.

Independent contractors of different business sizes assist the Department in carrying out its various programs and internal operations in the Washington, DC headquarters office and field offices. The list of potential contracting opportunities in the following pages is for Fiscal Year 2022 (October 1, 2021, through September 30, 2022).

## MESSAGE TO SMALL BUSINESSES

HUD is committed to providing maximum practicable opportunities in its acquisitions to small business, small disadvantaged business, 8(a), veteran-owned small business, service-disabled veteran-owned small business, HUBZone and woman-owned small business concerns. HUD encourages small and small disadvantaged businesses to partner, team or joint venture to maximize their opportunity to receive prime contracts. The Forecast will assist small and small disadvantaged businesses with the opportunity to obtain prime and subcontracting opportunities. HUD's program offices provide the information contained in this document. **If you discover errors or encounter problems establishing communication with the points of contact send an e-mail with FORECAST PROBLEM in the subject line to smallbusiness@hud.gov BRIEFLY stating your problem.**

## OSDBU's MISSION STATEMENT

The OSDBU mission is to ensure that small businesses, small disadvantaged businesses, 8(a) firms, women-owned small businesses, HUBZone businesses and veteran-owned small businesses are treated fairly and are provided an opportunity to compete and be selected for a fair amount of HUD's direct and indirect contract dollars.

# SECTION I: OSDBU STAFF & OCPO SMALL BUSINESS LIAISONS

Firms that are interested in doing business with HUD or need assistance in understanding procurement policies and procedures may contact the following individuals:

**Jean Lin Pao, Director**
Jean.Lin.Pao@hud.gov

**Office of Small & Disadvantaged Business Utilization (HUD Headquarters)**
Phone: (202) 402-5477
Fax: (202) 402-6930

**Meishoma Hayes**
Meishoma.A.Hayes@hud.gov
Sr. Small Business Utilization Specialist
(202) 402-6792

**Derek L. Pruitt**
Derek.L.Pruitt@hud.gov
Small Business Utilization Specialist
(202) 402-3467

**Office of the Chief Procurement Officer**
**Small Business Liaisons**
(Headquarters & Field Offices)

**Nicole H. Jackson**
Nicole.H.Jackson@hud.gov
Headquarters Contracting Operations
(202) 402-3868

**Gary Staffieri**
Gary.F.Staffieri@hud.gov
Northern Field Contracting Operations
(215) 430-6794

**Debra S. Long**
Debra.S.Long@hud.gov
Southern Field Contracting Operations
(678) 732-2566

**Adrian Blackman**
Adrian.C.Blackman@hud.gov
Western Field Contracting Operations
(303) 672-5482

Hearing or speech impaired individuals may access the telephone numbers in this document via TTY by calling the toll-free Federal Information Relay Service at (800) 877-8339.

# SECTION II: HOW TO MARKET TO HUD

- **Know your market niche.** Focus on products and services that reflect your niche. Concentrate on what you do best.

- **Provide high quality products and/or services.** HUD is looking for established companies with a proven track record of success in providing the types of products and services we need. Be able to demonstrate that you can do the job in a timely, professional and cost-effective manner.

- **Read the Federal Acquisition Regulations (FAR).** The FAR is the primary regulation that all federal government agencies follow when they purchase products and services. Read the Housing and Urban Development Acquisition Regulation (HUDAR), which is HUD's supplement to the FAR that contains HUD policies and procedures.

- **Register your company in the System for Award Management (SAM)** database located at www.sam.gov. All current and potential government vendors are required to register in this database to be eligible for contract awards and payments. HUD contracting officers and program office staff conduct market research and verify a company's SBA certifications through this database.

- **Apply to get on a General Services Administration (GSA) Schedule** through GSA's Schedules Program, which is used by federal agencies to procure products and services. These schedules are a popular procurement method in federal contracting. For more information, go to www.gsa.gov.

- **Research eligibility for Small Business Administration (SBA) certifications.** The SBA offers the following certifications: SBA Certified 8(a) Program Participant and SBA Certified HUBZone Firm. Apply for certifications if you are eligible. Once certified, your company becomes eligible for restricted competition contracts, non-competitive contracts and/or price preferences. For more information go to www.sba.gov.

- **Prepare a one-page capability statement** that identifies your company's certifications, overview and experience as it relates to a specific or general opportunity being sought. Use the one-page statement as a way to introduce your company to HUD. E-mail it to the Forecast point of contact when inquiring about a contracting opportunity in the Forecast and request an appointment.

- **Prepare a comprehensive capability statement** that provides a complete overview of your company. Present this statement at marketing visits with HUD program office and OSDBU staff.

- **Conduct research.** Visit www.hud.gov to research HUD and visit https://www.hud.gov/program_offices to research the program offices in which you have an interest to understand the Department's and program office's mission, objectives and procurement needs. Also visit **the Office of Small and Disadvantaged Business Utilization (OSDBU) website at** www.hud.gov/smallbusiness and review marketing publications. You will also find information on how to contact the OSDBU staff, outreach events and small business policies.

# SECTION II: HOW TO MARKET TO HUD

- **Find prime contracting opportunities** at www.sam.gov, which is the on-line site where federal government agencies post procurement opportunities over $25,000. Review the Forecast of Contracting Opportunities (Forecast) located at www.hud.gov/program_offices/sdb/4cast to learn about proposed contracting opportunities; use the information to market your firm to HUD. Visit the SBA's SUB-Net at http://web.sba.gov/subnet for government-wide listings of subcontracting opportunities.

- **Arrange appointments** with the program office staff to discuss contracting opportunities for which you are qualified. Use your limited time with them to present your multi-page capability statement, certifications, and GSA schedules. Elaborate on previous related experience, especially federal government experience.

- **Participate in HUD small business events.** HUD sponsors several small business fairs during the year where you can market your firm to program office staff and HUD's prime contractors. These events also provide the opportunity to network with other businesses for potential teaming and subcontracting arrangements. HUD also participates in procurement conferences, expos and networking events across the country. For more information, go to www.hud.gov/smallbusiness and click on the Outreach Events link.

# SECTION III: FORECAST OVERVIEW

The Forecast includes proposed contracting opportunities from both HUD Headquarters and field offices. The Forecast is updated on a monthly basis. Effective November 12th, 2019, Federal Business Opportunities (FBO.gov) is retired and www.SAM.gov is now the authoritative source for Contracting Opportunities. Vendors may subscribe to this website, free of charge, to receive notifications of daily contracting postings from federal agencies.

HUD contracting opportunities are procured by the following four principal contracting offices: (1) Office of the Chief Procurement Officer (OCPO) at HUD Headquarters in Washington, DC; and the three field contracting operations (FCO) offices located in (2) Philadelphia, PA; (3) Atlanta, GA; and (4) Denver, CO. The OCPO in Washington, DC contracts for services (e.g., technical assistance, research, and other professional/technical services) and supplies to support HUD program offices and the mission and operations of the Department in general (e.g., information technology, building maintenance, business process re-engineering). The FCO offices contract primarily for services to support the field program operations of the Department's Office of Housing and its four Homeownership Centers (Philadelphia, Atlanta, Denver, and Santa Ana). Each FCO office has branches, some of which are located in other cities within their jurisdictions. Contracting opportunities for the Department vary by location and by year based on program needs. The absence of a specific contracting need for a particular area in this forecast does not mean that the need will not arise later in the year or in future years.

The Forecast includes various services and acquisition strategies such as simplified acquisitions (contracts valued between $10,000 and $250,000), full and open competitions (contracts valued over $250,000) and limited competitions against the General Services Administration Federal Supply Schedules in various forms of acquisitions strategies ranging from "total small business set-aside" to "full and open." The Department also encourages 8(a) firms that have dual status to compete for HUD contracting opportunities (i.e., an 8(a) firm certified as a HUBZone and/or is a woman-owned or veteran-owned firm).

# SECTION IV: DESCRIPTION OF FORECAST CATEGORIES

The following provides a description of the categories listed in the Forecast:

**Plan Number**: This category provides the tracking number of the planned contract. Vendors should reference the plan number when requesting information on a planned contract.

**Requirement Type:** This category identifies whether the procurement is a new requirement or recompete. A recompete is a requirement that has exhausted its contract life term (base and option years); however, there is still a need for that service so the government must comply with competition requirements to allow other prospective contractors the opportunity to compete. A recompete does not guarantee that the incumbent will be awarded the contract.

**Description:** Title of the requirement and a brief narrative of the purpose and need for the service or product; and in some instances, the responsibilities expected of the selected contractor. Requirements that are recompetes may include the previous/expiring contract number. Visit www.fpds.gov to view contract award information.

**Primary NAICS Code / GSA Schedule**: The North American Industry Classification Code System (NAICS) and/or the GSA Schedule vehicle utilized to procure contract.

**Type of Competition:** The type of competition (e.g. small business set-aside, 8(a) sole source, full and open) is provided for each planned contract to allow for easier marketing for both business and program management. For example, "Full and Open" means that all businesses, regardless of size, are offered the opportunity to submit a proposal or bid.

**Total Contract Value Dollar Range**: Each planned contract lists an estimated budget that has been determined sufficient to perform the service.

**Point of Contact**: Businesses that are interested in a planned contract should contact the listed point of contact via e-mail or telephone and request a meeting to market their firm's capabilities for a particular requirement.

**Solicitation Release Date:** This is the month of the federal fiscal year (October 1 through September 30) in which it is anticipated that the solicitation will be released.

**Award Date:** This is the month of the federal fiscal year (October 1 through September 30) in which it is anticipated that the solicitation will be awarded.

**Contract Length:** List the potential maximum length of contract. (e.g., 6 months, Base, Base and 4 option years, etc.)

# SECTION V: GLOSSARY OF TERMS & ACRONYMS

**Forecast "Status" Terminology**

**New:** After Version 1, "new" indicates additional planned or unplanned contracts listed in the current Forecast.

**Action Closed-Pending Award:** The planned contract is no longer available for marketing by classified firms. Although, the status of the planned contract may be identified as "action closed-pending award," there may be subcontracting opportunities available. Businesses are encouraged to notify either the program office contact person or the Contracting Officer during the marketing stages or early in the procurement process (before submission of request for quote or request for proposal) that they are interested in subcontracting opportunities for a specific requirement.

**Action Awarded:** The procurement process has been completed and the planned contract has been awarded.

**Action Cancelled:** The planned contract has been cancelled for the fiscal year or postponed until next fiscal year.

**Small Business Terminology**

**Small Business** - A business that is independently owned and operated and which is not dominant in its field of operation and in conformity with specific industry criteria defined by the Small Business Administration (SBA). Depending on the industry, size standard eligibility is based on the average number of employees for the preceding twelve months or on sales volume averaged over a three-year period.

**Small Disadvantaged Business** - A small business that is at least 51% owned and controlled by a socially and economically disadvantaged individual or individuals. This can include a publicly owned business that has at least 51 % of its stock unconditionally owned by one or more socially and economically disadvantaged individuals; and one or more such individuals control the management and business operations.

**8(a) Firm -** A firm participating in the SBA's business development program created to help eligible small disadvantaged businesses become independently competitive in the federal procurement market. A firm must be 51% owned and controlled by a socially and economically disadvantaged individual or individuals to be eligible for the 8(a) Program. The SBA must certify small businesses that want to claim 8(a) status.

**Historically Underutilized Business Zone (HUBZone)** - A small businesses with 35% of its staff living in a HUBZone. The company must also maintain a "principal office" in one of these specially designated areas. A principal office can be different from a company's headquarters. The SBA must certify small businesses that want to claim HUBZone status.

**Service-Disabled Veteran-Owned Small Business** - A small business that is at least 51% owned by one or more service-disabled veterans. Service-disabled veteran means a veteran with a disability that is service-connected; the disability was incurred in the line of duty while serving in the U.S. active military, naval or air service.

**A Women-Owned Small Business (WOSB) -** A small business that is at least 51% directly and unconditionally owned and controlled by one or more women who are citizens (born or naturalized) of the United States. An **Economically Disadvantaged Women Owned Small Business (EDWOSB)** is also a small business that is 51 percent ownership must be management and daily business operations of the concern must be controlled by one or more economically disadvantaged women.

**Joint Venture** - In the SBA 8(a) Mentor-Protégé Program, an agreement between a certified 8(a) firm and a mentor firm to joint venture as a small business for a government contract. The agreement must be in writing; and include an assessment of the Protégé's needs, together with a description of the specific assistance that the Mentor will provide to address those needs. The agreement must also provide for the termination of the agreement with 30 days advance notice to the other party and to the SBA. Additionally, the agreement should state that it is for at least one year.
