Solicitation 47PH0220R0014

# Pre-Proposal Conference

# Full Maintenance Laredo, TX Operations & Maintenance (O&M)

December 14, 2020

# Agenda

- Introductions
- Purpose of Conference
  - *No statement made by a Government Representative during this conference can add to, modify, or otherwise vary from the written provisions of the solicitation and/or amendments. Any changes or clarifications made as a result of this meeting will be issued as a formal written amendment to the solicitation*.
- Solicitation/Statement of Work Overview
- Key Dates
- Instructions for Questions
  - Questions are allowed during this forum. If GSA can't provide an answer, you will be asked to submit it in writing, and will be answered in writing, and posted via amendment to the solicitation.

# Introductions

- Contracting Officer: David Holland
- Contracting Officer's Representative (COR):
  - James Zechman (Custodial)
  - Edgardo Perez-Cosme (Mechanical)
- Supervisory Building Management Specialist: Gabriel Vargas
- Building Management Specialist (Custodial): Veronica Archuleta
- Equipment Specialist: Douglas Martin
- Lead Contracting Specialist (Acquisitions): Carmen Weathers
- Assistant Contract Specialist (Acquisitions): Christopher Walton
- Other Attendees

# Purpose of Conference

- GSA, PBS Procurement for Operations & Maintenance (O&M) Services in Laredo, Texas
- Provide clear understanding of the Solicitation and Performance Work Statement (PWS)
- Site Visits - **No questions** may be asked at the site visit.

**Nothing said at this conference or during site visit can be interpreted as an amendment to the solicitation requirements.**

- Official amendments will be posted to Beta.SAM

# Solicitation Overview

- Award of a Full Maintenance -- Operation & Maintenance 8 (a) Site Aside
- North American Industry Classification System (NAICS) code 561210 – Facility Support Services, Small Business size standard is $41.5 million

***** Questions may be submitted at any time via in the instructions in Section L. The floor will be open for a limited time at the conclusion of this meeting. *****

# Solicitation Overview

- Five (5) Year Period of Performance:
  Twelve Month (12) Base Period,
  Four (4) One-year Options.

- Source Selection Acquisition Procedures will follow Federal Acquisition Regulation (FAR) 15.2

- Best-value procedures will be utilized

# Region 7 FM Statement of Work

- Objective of this contract is to procure a holistic and integrated complete facilities management program that will meet the current and future needs of GSA and tenant agencies over the term of the contract
- Performance Based Acquisition (PBA)
- SOW defines GSA's minimum requirements and expected outcomes
- Standard or Basic Services are the recurring contract requirements
- Above Standard Services/Additional Services will be ordered as needed via task order

# Region 7 FM Statement of Work

## Section B Review (Acquisitions: Christopher Walton)

**B.2 Pricing of Services**
Figure B-3, Pricing of Services, must be completed by the contractor and submitted to the Contracting Officer (CO) as part of the Price Proposal. At time of award, Figure B-3 will be incorporated into the contract. **Pricing must be submitted for a 5 year contract term.**

**B.2.1 Basic (Standard) Services**:
This is a Firm Fixed Price contract and will not be changed unless there is a change in the scope of work. Standard service is defined as all services that are included in the monthly price and are defined in the contract document. The monthly price shall include all applicable labor, materials, supplies, training/certifications, equipment (except as otherwise provided), supervision, and management. **A blank Figure B-3 in Section J is included as part of the solicitation for the purpose of submission of the offeror's price proposal.**

**B.2.2 Above Standard Services**
Additional services (or Above Standard Services) may be ordered at the discretion of GSA for work relating to the scope of the facilities listed above, but not covered in the basic services of the contract.

# Region 7 FM Statement of Work

- Section C Review (Custodial):
  - Above Standard Services (Custodial) includes the following tasks:
    - C.9.6.6 Snow and Ice Removal when additional snow and ice removal requiring heavy equipment
    - C.9.6.8 High Cleaning Above 12 Feet
  - C.9.7 Custodial Service Calls
    - Historically, 15 hours per month (Address in QCP)
    - Normal Service Calls During Business Hours (1 Hour Response, Remedy Within 12 Hours)
    - Emergency Service Calls During Normal Working Hours (30 Minute Response, Remedy Within 1 Hour
    - Definitions of “Emergency” and “Normal”

# Region 7 FM Statement of Work

- Section C Review (Custodial):
  - C.9.12 Integrated Pest Management
    - C.9.12.1 Preventative Pest Management
    - C.9.12.2 Initial Pest Assessment
    - C.9.12.4 General
    - C.9.12.5 Pests Included and Excluded
  - C.9.15 Cleaning Schedules
  - C.9.16 Communication Requirements
    - Tenant Meetings
    - Quality Control Meetings
    - Partnering Meeting (Quarterly Sessions)

      "Intent is that Contractor's corporate leadership to participate."

# Region 7 FM Statement of Work

- Section E Review (Acquisitions):
  - E.1 Failure to Perform
    - If the Contractor fails to promptly perform the services in conformity with the contract requirements or to take the necessary action to ensure future performance in conformity with contract requirements, the Government may:
      - By contract or otherwise, perform the services and charge to the Contractor any cost incurred by the Government that is directly related to the performance of such service; or
      - Terminate the contract for convenience or cancel the contract.

# Region 7 FM Statement of Work

- Section G Review (Acquisitions):
  - G.1 Points of Contact for Contract Administration
    - Contracting Officer (CO): David E. Holland
    - Contract Specialist (CS): Carmen Weathers
    - Contracting Officer's Representative (COR): James Zechman and Edgardo Perez-Cosme.
  - G.5 Temporary Work Stoppage/Suspension
  - G.6 Evaluating Contractor Performance
    - Interim performance evaluated annually; final evaluation upon completion of performance

# Region 7 FM Statement of Work

- Section G Review (Acquisitions):
  - G.7.14 Criteria for Deductions

| Cause of Deduction | Calculation of Deduction |
|---|---|
| | **NOTE: Hourly rates will be determined by the current DOL Wage Determination or CBA Agreement that applies to the personnel responsible for that task. This rate could change per Option Period. Administrative costs will be based on GS-12, Step 5 wage scale applicable to the area of location.** |
| 1. Failure of the Contractor to have adequate qualified personnel on-site as specified in the Contractor's technical proposal or CO revision. | 1. Hourly rate per man hour will be deducted for each hour, or portion thereof, that the Contractor fails to have adequate qualified personnel on-site. The man hour calculation shall be based on qualified personnel position rate found in the DOL Wage Determination Spreadsheet or the CBA Wage Agreement, this sum multiplied by the number of hours that full staffing was not provided. |

# Region 7 FM Statement of Work

- Section G Review (Acquisitions):
  - G.7.14 Criteria for Deductions

| | |
|---|---|
| 2. Failure to use employees with required qualifications. | 2. Hourly rate per hour will be deducted for each hour, or portion thereof, that an unqualified mechanic is used to perform contract work. Deduction hourly rate will be based on the DOL Wage Determination Spreadsheet or the CBA Wage Agreement for the qualified position. |
| 3. Failure to provide prescribed environmental conditions in the building(s), or portion thereof, at all times. | 3. The Contractor will be held liable for all costs, including administrative costs, incurred by the Government as a result of his/her failure to provide prescribed environmental conditions at all times. Administrative costs will be based on GS-12, Step 5 wage scale. |
| 4. Failure to perform, or satisfactorily perform, PM, tours, or watches required by the contract during the time period in which performance was scheduled. | 4. The man-hours required to perform the omitted or unsatisfactory work will be determined by the COR, based on the standards in NCMMS. The total man hours required will be multiplied by the hourly rate, found on the DOL Wage Determination Spreadsheet or CBA Wage Agreement, to determine the total dollar amount deductible for the scheduled work, plus Administrative costs. Administrative costs will be based on GS-12, Step 5 wage scale. |

# Region 7 FM Statement of Work

- Section G Review (Acquisitions):
  - G.7.14 Criteria for Deductions

| | |
|---|---|
| 5. Failure to complete repairs of building equipment which the cost of supplies, materials, and parts is $2,500 or less, within the time limit or within 72 hours for architectural/structural repairs, or approved extension thereof. | 5. Beginning with the first hour following the expiration of the time limit or within 10 days respectively, or an approved extension thereof; the hourly rate will be deducted for every hour or portion thereof for every day that the repair remains incomplete, in addition to any costs incurred by the Government to complete the repair. Hourly rate is determined based upon the DOL Wage Determination Spreadsheet or the CBA Wage Agreement. |
| 6. Failure to respond to and complete service calls within the prescribed time limits; or extension thereof. | 6. Deductions will be made as follows for failure to complete service calls:<br><br>a. For those requiring immediate action, the Contractor will be held liable for all costs, including administrative costs, incurred by the Government, to complete the service call.<br><br>b. For all other service calls, beginning with the first hour following expiration of the appropriate time limit for completion (3 hours or 24 hours), the hourly rate will be deducted for every hour, or portion thereof, that the service call remains incomplete (based on the number of hours per day that the Contractor is required to be on-site, 250 day-per-year basis), including administrative costs.<br><br>Deduction hourly rate will be based on the DOL Wage Determination Spreadsheet or the CBA Wage Agreement for the qualified position. Administrative costs will be based on GS-12, Step 5 wage scale. |

# Region 7 FM Statement of Work

- Section G Review (Acquisitions):
  - G.7.14 Criteria for Deductions

| | |
|---|---|
| 7. Failure to respond within one (1) hour to a request for Emergency Call-Back Service, and/or failure to provide the required service. | 7. The Contractor will be held liable for all costs incurred by the Government as a result of the Contractor's failure to respond within one (1) hour and/or provide the required service, including but not limited to:<br><br>a. All costs to repair damage to the building, equipment, or systems, and;<br><br>b. All costs associated with responding to the emergency, and;<br><br>c. All administrative costs. Administrative costs will be based on GS-12, Step 5 wage scale. |
| 8. Failure to respond to a request for Overtime Services, and/or failure to provide the required services. | 8. The Contractor will be held liable for all costs, including administrative costs, incurred by the Government as a result of the Contractor's failure to respond to, and/or provide, requested overtime services. Administrative costs will be based on GS-12, Step 5 wage scale. |

# Region 7 FM Statement of Work

- Section G Review (Acquisitions):
  - G.7.14 Criteria for Deductions

| | |
|---|---|
| 9. Failure to:<br><br>a. Properly operate and/or maintain equipment and/or systems or,<br><br>b. Make repairs, which results in damage to the building(s), equipment, or systems. | 9. The Contractor will be held liable for all costs, including administrative costs, incurred by the Government to repair damage to the building, equipment, or systems which results from the Contractor's failure to perform any or all of the items listed as (a) or (b) adjoining. Administrative costs will be based on GS-12, Step 5 wage scale. |
| 10. Failure to perform the miscellaneous hours specified in Section C, when requested | 10. The hourly rate reflected by the DOL Wage Determination Spreadsheet or the CBA Wage Agreement, will be deducted for each hour or portion thereof that the miscellaneous services are not provided when requested by the COR or his/her designated representative. |
| 11. Failure of the Contractor to make scheduled quality control inspections. | 11. The hourly rate will be deducted for each inspection that the Contractor fails to make. The time required to perform the inspection will be based on the actual man-hours consumed by the Government. The hourly rate determined is reflected by the DOL Wage Determination Spreadsheet or the CBA Wage Agreement |

# Region 7 FM Statement of Work

- Section G Review (Acquisitions):
  - G.7.14 Criteria for Deductions

| | |
|---|---|
| 12. Failure to make inspections as outlined by the approved Quality Control Plan that accurately reflects the true conditions of the equipment. | 12. The Contractor shall be liable for all costs associated with the Government re-inspection of deficiencies found by the Government. (Ref G.7.3) This applies to items that were to be inspected by the Contractor's Quality Control Plan. |
| 13. Failure of the Contractor to submit required documentation, reports, plans, schedules, etc., within the specified time frame. | 13. A payment retainage of a maximum of 10% of the contract price at the time of the deduction will be withheld until required documentation, reports, plans, schedules, etc., are submitted to and approved by the COR |
| 14. Failure to provide as necessary or requested adequate personnel to perform fire watch duties which may be required. | 14. The total man-hours required will be multiplied by the hourly rate, determined by the DOL Wage Determination Spreadsheet or the CBA Wage Agreement, to determine the total dollar amount deductible for the services not provided, plus administrative costs. Administrative costs will be based on GS-12, Step 5 wage scale. |
