Acquisition Planning Forecast System

Forecast Record Number: F2022057825

Component: USCIS	**Published Date:** Dec. 1, 2022, 1:13 p.m.	**Previously Published On:** Nov. 3, 2022, 6:04 p.m.

NAICS: 541512 - Computer Systems Design Services	**Competition:** YES
Contract Vehicle: GWAC (GWAC)	**Small Business Program:** 8(a)
Contract Status: Recompetition	**Incumbent:** LinkTec, LLC
Contract Number: 70SBUR20F00000250 & 70SBUR22F00000115	**Anticipated Award Quarter:** Q2 FY2023
Estimated Solicitation Release: 2022-12-15	**Contract Complete:** 2027-04-03
Requirements Title: Cyber Security Support Services (C3S) - Architecture	

Description: UPDATE AS OF 11/29/2022: Updated Estimated period of performance end from 12/03/2026 to 04/03/2027. Updated Solicitation Release Date: from 11/29/2022 to 12/15/2022. Updated 11/3/2022: USCIS will require vendors to recertify that they are currently an active 8(a) vendor under the GSA HACS contract vehicle for this requirement with quote submission. Please see the Change Log for other updates made prior to 11/3/2022. USCIS has a requirement for Cyber Security Support Services (C3S) - Architecture that will be utilizing GSA HACS SIN 54151. The C3S-Architecture contractor will have a primary responsibility to provide the ability to design, deploy, operate, and maintain cyber security tools, reviewing USCIS source code, assessing the security and effectiveness of USCIS systems, providing security architecting expertise to other OIT divisions, securing USCIS Networks, operating the USCIS vulnerability management program, and developing and deploying solutions to automate security compliance USCIS systems hosted in cloud environments. This ability will require highly specialized skill sets with significant experience and the ability to provide ongoing best practices. The limited number of available Government staff with these skill sets make it essential to find commercial sources to supply these services. Commercial sources should also be able to provide cutting edge cybersecurity industry best practices. The contracted services will be required for the foreseeable future and a three-year period of performance is anticipated.

Estimated Dollar Range: $50,000,000.00 to $100,000,000.00	**Place of Performance:** Camp Springs, MD
POC Name: Jose Soiza	**Alternate POC Name:** Monty Kurtz
POC Phone: (202) 870-6392	**Alternate POC Phone:** (802) 872-4174
POC Email: jose.m.soiza@uscis.dhs.gov	**Alternate POC Email:** monty.n.kurtz@uscis.dhs.gov
