STANDARD FORM 30 (REV. 11/2016)
Prescribed by GSA FAR (48 CFR) 53.243

Amendment 0005 is issued to address questions received. The following answers are provided:

1. Will you please clarify if and what changes exist between the outgoing contract and the new one to be awarded?

   Answer: Slight variations exist on this follow-on procurement.

2. Amendment 0003 identifies 10 FTE's on this task order, however the solicitation calls for 11 different labor categories; will you please clarify?

   Answer: As identified in the Request for Proposal, there are 11 labor categories identified. Historically, 10 full time equivalents supported this requirement.

3. While we understand an inherent flexibility is needed for this effort, is it the government's intention to expand this task order in size and/or scope?

   Answer: At this time, the Government does not anticipate any changes to the size and scope of this requirement. For the Government's identified Time-and-Materials labor categories, this level of effort could shift as the hours and labor mixes provided are estimates. As identified in the Addendum to FAR Provision 52.212-1 (MAR 2023), the offeror may submit Attachment D - Alternative Pricing Schedule.

4. In reference to System Administration and Help Desk Support, how many estimated Service Orders are issued on a monthly basis?

   Answer: As indicated in the Request for Proposal, this requirement is being conducted in accordance with FAR Part 12 and FAR Part 15.
