Requirements Title: S&T OCIO Information Assurance Compliance Support Services	
Description: The scope of work is to support the Information Assurance Compliance function within S&T OCIO. This contract is limited to S&T staffing only. Any other activity, such as specific project funding, shall require a different funding vehicle. The Contractor shall support the S&T Chief Information Security Officer (CISO) and shall facilitate Federal Information Security Modernization Act (FISMA, 2014) compliance for all S&T IT systems. Compliance support, including testing and engineering services, will ensure that all Information Systems Security Officer (ISSOs) have the necessary information throughout the life cycle of each system. The goal is to ensure adherence to all DHS rules and regulations associated with DHS Management Directive 4300 and FISMA compliance. The Contractor shall ensure adherence of S&T IT operations to all DHS rules and regulations associated with DHS Management Directive 4300 and FISMA compliance. https://www.dhs.gov/publication/dhs-4300a-sensitive-systems-handbook. The period of performance is a base period from 09/16/2022 to 03/31/2023 and has options that could extend the contract to a total period of performance of five years. This requirement is being competed on STARS III.
